PART A: OVERVIEW OF THESE TERMS

These Terms of Trade apply to all Works that we carry out for you.

At Waterite Pumps & Electrical Limited ensuring our Terms are transparent and easy to understand is important to us. If you have any questions or are unsure about anything, please contact us.

To make these Terms easy to use, we:

- have set out a 'Dictionary' in Part H, which explains the specific meaning, for the purposes of these Terms, of the capitalised words used in these Terms; and
- have included summaries / outlines for each Part in blue boxes – these are intended for guidance only and do not replace any of the terms in these Terms.

1. Introduction

- These Terms set out all of the terms and conditions that apply to the Works that we carry out for you.
- Any other terms and conditions will not apply unless expressly approved in writing by us for a particular Quote.
- We may update these Terms on notice to you in writing. Our updated Terms will apply to all Works you request after we have notified you that we have updated our Terms.
- If there is any inconsistency between the documents making up these Terms, unless the parties expressly agree otherwise, the documents will apply in the following descending order of priority:
 - the Quote;
 - the Specific Terms;
 - these Terms of Trade (excluding the Specific Terms); and
 - Ancillary Documents.

PART B: QUOTES AND CARRYING OUT OF WORKS

Part B sets out details about how we quote and carry out and complete the Works. It also confirms responsibility for obtaining Approvals for the Works and sets out the process that applies if there are any defects in the Works, or if these Terms are cancelled.

2. Quote process

- Where you ask us to carry out any Works, we may provide you with a proposed quote and advise you of our order process. Unless we advise you otherwise, our quoting process is set out in this clause 2.
- Any proposed quote we provide you will remain valid for 30 days from the date of issue stated on the proposed quote. You may accept the proposed quote at any time within that period.
- If the proposed quote expires, or you request changes to the proposed quote, we may re-quote to reflect any agreed alternations to the proposed quote and resubmit that revised proposed quote to you.
- If you accept the proposed quote (or any revised proposed quote) this will become the Quote for the purposes of these Terms.
- We are under no obligation to re-quote at any time, or to enquire as to the authority of any person confirming a proposed quote (or revised proposed quote) on your behalf.

3. Carrying out of the Works

- We will use reasonable efforts to commence the Works on the Commencement Date specified in the relevant Quote.
- We will carry out and complete the Works using all reasonable skill and care, in accordance with the requirements of these Terms, applicable Laws, and Approvals, to achieve Completion by the Due Date for Completion.
- However, despite clauses 3.1 and 3.2, unless we expressly agree otherwise in writing, the Commencement Date and Due Date for Completion are indicative only.

4. Design

- Except as stated in this clause, we are not responsible for the design of any part of the Works, including as may be prepared by you or on your behalf.
- We will be responsible for the design of those parts of the Works that are specified in the Quote (**Contractor Design Items**).
- Where we undertake any Contractor Design Items, we will carry out such design with reasonable skill, care, and diligence.

5. Delay

- We will be entitled to an extension to the Due Date for Completion by reason of any Variation, any cause beyond our control, any breach of these Terms by you, or wherever permitted by these Terms. Any such extension will be determined by us (acting reasonably) and notified to you.

6. Approvals

- You will be responsible to apply for, give all notices in relation to, obtain and to pay for all Approvals required for the carrying out and completion of the Works.
- You will also provide us with a copy of any Approvals in relation to the Works upon our request.

7. Site access

- You will allow us and our Representatives non-exclusive possession of the Site on the Commencement Date to the extent necessary to allow us to perform our obligations under these Terms.
- In accessing the Site, we agree to abide by the health and safety obligations under clause 22. We are not liable for any loss or damage to the Site unless due to our negligence.
- If and to the extent that any third parties will be carrying out any activity in or around the Site when we are carrying out the Works, you must notify us in writing, and ensure that such third parties are required when performing their activities to use their best endeavours to cooperate with us, not cause or contribute to a breach of any obligation we owe to you and not otherwise interfere with or cause any delay or disruption to the Works.

8. Completion of the Works

- We may notify you in writing when we consider that the Works have achieved Completion.
- You will, within 10 Business Days after receiving our notice under clause 8.1, notify us in writing that:
 - the Works have achieved Completion, stating the date accordingly (**Completion Date**); or
 - the Works have not yet achieved Completion, giving detailed reasons and proposing work that you (acting reasonably) consider needs to be carried out for Completion to be achieved.
- Completion will be deemed to have occurred, and the Completion Date will be the date that is the last day of that period, if:
 - you fail to confirm that Completion has occurred (along with the Completion Date); or
 - you fail to confirm that Completion has not yet been achieved (with reasons) within the period required under clause 8.2; or
 - the reasons you provide under clause 8.2(b) are (in our opinion) unreasonable.

9. Materials

- We will ensure that the Materials used in the Works are new (unless otherwise agreed with you) and satisfy the requirements of these Terms.
- If requested by you, we will use reasonable endeavours to:
 - obtain available product warranties for Materials used in the Works; and
 - obtain relevant warranties relating to materials and workmanship from our subcontractors engaged in the Works.
- If you request that we leave the Materials outside our premises for collection or to deliver the Materials to an unattended location, then the Materials shall be left at your sole risk. In the event that the Materials are lost, damaged or destroyed then replacement of the Materials shall be at your expense.
- Unless deemed a Defect, non-stocklist items or Materials made to your specifications are under no circumstances acceptable for credit or return.

10. Title and risk

- All goods and other materials comprising the Works, or which are to be consumed in the Works, will become your property and title will pass to you when payment is made in full in accordance with clause 15.
- Despite the passing of title to you, risk in the Works (and the goods and other materials comprising the Works or which are to be incorporated into the Works) will not pass to you until Completion.

11. Variations

- We will carry out Variations to the Works instructed in writing by you at any time prior to the Completion Date.
- You may issue a Variation which increases or decreases the quantity of any work, omits any work, changes the character or quality of any material or work, requires additional work to be done, or changes the level, line, position, or dimensions of any part of the Works.
- If we consider that any instruction you give us, whether verbally or in writing, which is not expressly stated to be a Variation, or that any other matter should be treated as a Variation, the following process will apply:
 - we will notify you in writing;
 - within 10 Business Days of receipt of our notice, you will confirm in

- writing that the instruction or matter involves a Variation, or give reasons if you disagree; and
- (c) if you do not give us the notice within the time required by clause 11.3(b), the instruction or matter will be treated as a Variation.
- 11.4 The value of any Variation instructed by you or treated as a Variation will be:
- agreed between the parties;
 - failing agreement, determined by us with reference to any schedule of rates included with these Terms; or
 - in the absence of a schedule of rates, determined by us based on what we consider to be fair and reasonable in the circumstances, plus an allowance for Mark Up.
- 11.5 Where a Variation is valued under clause 11.4(b), if the schedule of rates is stated to be exclusive of Mark Up, then we will add an allowance for Mark Up to those rates.
- 11.6 The value of Variations will be added to or deducted from the Price.
- 11.7 Where we have suffered delay or incurred additional cost due to us encountering on the Site physical conditions which substantially increase the cost to us, provided that such physical conditions could not reasonably have been foreseen by us, such conditions shall be treated as a Variation and clause 11.4 shall apply.
- 12. Defects**
- 12.1 We will remedy all Defects that you notify to us in writing at any time prior to the expiry of 12 months from the Completion Date.
- 12.2 Nothing in these Terms will affect any rights you may have from the implied warranties under sections 362I to 362K of the Building Act 2004.
- 13. Cancellation**
- 13.1 Either party may cancel these Terms by written notice if the other party:
- commits a material breach of these Terms which is not remedied within 20 Business Days of written notice of the breach from the other party; or
 - suffers an Insolvency Event.
- 13.2 If we are unable to carry out and complete the Works, due to reasons beyond our reasonable control, we may cancel these Terms (in whole or in part) by giving written notice to you. We will repay you any amount you have paid to us in advance for the Works. We will not be liable for any loss or damage arising from such cancellation.
- 13.3 You may cancel delivery of the Works by written notice served within 24 hours of placement of the order.
- 13.4 Except as permitted under these Terms (including under clause 13.1) or otherwise at law, you will not be entitled to cancel these Terms after you accept the Quote.

PART C: PRICE

Part C sets out terms relating to the Price for the Works. The Price may be set on a 'lump sum' or 'cost reimbursement' basis. This will need to be clearly specified in the Quote.

- 14. Price**
- 14.1 The Price under these Terms will be:
- our estimated Price (subject to any Variations). No allowances shall be made for site preparation unless specified in the estimate. Variances in the estimated Price of more than 15% will be subject to your approval before proceeding with the Works; or
 - determined on the basis of either a lump sum or cost reimbursement, as specified in the Quote.
- 14.2 Where the Quote specifies that the Price is to be determined on the basis of:
- a lump sum, the Price will be the sum stated in the Quote, subject to adjustments in accordance with these Terms; or
 - cost reimbursement, the Price will be determined as follows:
 - the net cost of the quantities of labour, materials, plant and subcontractors used in the execution of the Works;
 - an allowance for Mark Up; and/or
 - where and to the extent these Terms contain a schedule of rates in respect of any item, those rates will be used in lieu of net cost, and Mark Up may be added to the extent the relevant rates are exclusive of any such allowance.
- 14.3 Unless otherwise stated, the Price does not include GST.
- 14.4 We may charge you for freight, insurance, disbursements, and any applicable taxes, duties and levies, in addition to the Price.

PART D: PAYMENT TERMS

It is very important to us that you pay us in full by the due date for payment. The following clauses provide additional protections for us to reflect that arrangement, including terms that will apply if there are any delays or disputes relating to payments.

- 15. Payment**
- 15.1 We may upon either:
- the last day of each month, submit to you an invoice for the value of the Works carried out (including Variations and the value of any Materials delivered to Site but not yet incorporated within the Works) in accordance with these Terms during the preceding month; or
 - the achievement of any payment milestones (as may be specified in the Quote) submit to you an invoice for the amount that is the instalment of the Price required to be paid on account of achievement of that payment milestone.
- 15.2 Where a deposit is required under clause 17.1, we may at any time submit to you an invoice for the agreed amount of the deposit.
- 15.3 You must pay us all Amounts Owing (as set out in our invoice):
- to our bank account (notified to you and updated at any time) or any other payment method that we agree with you;

- on completion of the Works; or
 - the 20th of the month following if approved by us; or
 - within 7 days from the date of the invoice (**Due Date**); and
 - in full without deduction, withholding, set off or counterclaim.
- 15.4 If you have any dispute relating to an invoice issued by us, you:
- must notify us of that dispute in writing within 5 days from the date of invoice (after that period, unless there is a manifest error, you will be deemed to have accepted the invoice); and
 - will only withhold payment of the amount in dispute and will, upon resolution of any dispute, immediately pay the balance (if any) due to us.
- 15.5 We and you each agree to promptly deal with any disputed invoices and, where possible, to resolve disputes before the Due Date.
- 16. Credit terms and repayment obligations**
- 16.1 The supply of Materials (as part of the Works) to you on credit is subject to our prior approval. We may use the services of credit reporters and debt collection agencies (in accordance with clause 24.2).
- 16.2 You must notify us immediately:
- if you suffer an Insolvency Event. Any Amount Owing will, whether or not due for payment, immediately become due and payable if an Insolvency Event occurs; or
 - if you are a company and there is a material change in your effective management or ownership.
- 17. Deposit and guarantee**
- 17.1 We may require that you pay us in advance, or pay a deposit, or provide a guarantee, or other security, before we supply Materials (as part of the Works) or carry out the Works, as security for any Amount Owing.
- 17.2 If we cancel an order (for reasons other than your breach of these Terms), we will refund any deposit that you have paid to us in full. Otherwise, any deposit that you pay to us is non-refundable, unless we expressly agree otherwise in writing.
- 18. Rights to recover Materials**
- 18.1 We retain ownership of all Materials that we supply to you until we have received payment in full of the Amount Owing.
- 18.2 If you resell or use any Materials before ownership of the Materials has passed to you, you will be deemed to hold the proceeds of sale on trust for us to the extent of the Amount Owing.
- 18.3 If any Amount Owing is overdue or if an Insolvency Event occurs, you must return Materials to us on request or permit us to enter any premises where Materials may be stored to repossess those Materials.
- 19. Late payments**
- 19.1 If payment in full of any Amount Owing (which is not subject to a genuine dispute) is not made to us on the Due Date, we may:
- suspend, or cancel (in accordance with clause 13.1(a)), the carrying out of any part of the Works for you;
 - cancel any rebates or discounts (whether or not previously credited); and
 - charge you interest at a rate of 2.5% per month on the balance of the outstanding amount from the Due Date until the date the outstanding amount is paid in full, accruing daily and charged monthly.
- 20. Costs of recovering Amounts Owing**
- 20.1 You must reimburse us for any reasonable costs and expenses we incur to recover any Amount Owing, including any debt collection fees or commission and full legal expenses.
- 21. Security interests**
- 21.1 You acknowledge that these Terms create, in our favour, a security interest (as defined in the PPSA) in all Materials and the proceeds of any Materials (in accordance with clause 18) (**Security Interest**), to secure the payment by you to us of the Amount Owing.
- 21.2 You undertake to promptly sign any further documents which we may reasonably require to enable us to perfect and maintain the perfection of the Security Interest (including by registration of a financing statement) and to provide not less than 14 days' prior written notice of any proposed change in your name and/or any other change in details (including changes in address, trading name or business practice).
- 21.3 The parties agree to contract out of sections 114(1)(a), 133 and 134 of the PPSA. You agree to waive your rights under the PPSA to the extent permitted by section 107(2) of the PPSA and to receive a verification statement relating to any Security Interest. Where we have rights in addition to Part 9 of the PPSA, those rights will continue to apply.
- 21.4 We reserve the right to require a guarantee, or any other additional security (at your cost), as security for payment, before we provide Materials or carry out the Works for you.

PART E: COMPLIANCE AND INFORMATION

Part E sets out the provisions relating to health and safety, privacy, confidentiality, intellectual property rights and insurance. Unless we agree otherwise, we own all intellectual property rights in the Materials and Works.

- 23.1 Where you have supplied any materials for us to use when carrying out and completing the Works, you acknowledge and accept responsibility for those materials, including their suitability for use in the Works and any faults inherent in them.
- 23.2 If we consider (acting reasonably) that the materials supplied by you are non-conforming in any way, and will not conform with applicable Laws (including applicable New Zealand Standards), then we are entitled to suspend carrying out the Works until the appropriate conforming materials are sourced.
- 23.3 Where clause 23.2 applies, we are entitled to:
- recover all costs associated with suspension of the Works and sourcing of conforming materials; and
